CAREER SUMMARY

Construction Processor and Closing Coordinator

M&T Bank | Jan 2018- Dec 2019

- Significantly outperformed peers in terms of loan processing time and accuracy, improving operational efficiency
- Performed quality control on new loan applications and coordinated effectively with title companies to ensure smooth closings
- Provided customers with frequent status updates, ensuring expectations were met and facilitating long-term relationships and future business opportunities

Bankruptcy Quality Control Analyst

Select Portfolio Servicing | Sept 2016 - Jan 2018

- Consistently exceeded quality control review timing and accuracy targets, auditing over 350 files per month
- Streamlined bankruptcy quality control procedures to eliminate redundancies and provide greater focus on critical processes
- Conducted detailed reviews of customer financial data to confirm consistency with bankruptcy guidelines

Sr. Hazard Insurance Specialist

Utah Housing Corporation | May 2015- Sept 2016

- Led a team responsible for processing all company hazard insurance settlements, quickly eliminating backlog in payments
- Managed reporting process for hazard insurance payments, providing timely updates to company senior management
- Proactively worked with internal and external stakeholders to efficiently resolve insurance related issues, improving resolution times and driving customer retention
- Mentored and trained new hires, reducing the number of operational errors
